Face Visor

Nr art.: CGW99000

CG

WORKWEAR

- High-quality, adjustable face visor made of PET-G as splash protection for face and eyes
- Light and comfortable to wear also suitable for spectacle wearers and can also be used with a mouth-nose mask
- The transparent visor is intended to act as a barrier on both sides to reduce the transmission of droplets for the wearer and his surroundings
- Side arms can be folded up and adjusted
- With replaceable visor
- On the back with adjustable rubber for all head sizes
- Hygienically washable
- Includes 1 replacement visor
- Individually packed in polybag with insert and description
